

## Xtina To Be Honored At WeHo's Abbey's Gay Walk Of Fame

Maybe they'll honor V-Hudge next. She DID spend her President's Day drinking raspberry mojitos at The Abbey...

In the meanwhile, Christina Aguilera is being given the distinct privilege of being the first honoree on The Abbey's Gay Walk of Fame, along with Dave Cooley, for her contributions to gay culture.

Tonight, her hand and foot prints will be put into cement, where she'll be immortalized during the world famous gay bar's West Hollywood Premiere Party.

Congrats, Xtina! Should be a wonderful event!
